

C:/Users/mark_/source
/repos/fileintegritychecker
/headers/Menu.h

```
graph TD; A["C:/Users/mark_/source<br/>/repos/fileintegritychecker<br/>/headers/Menu.h"] --> B[string]; A --> C[cstring]; A --> D[iostream];
```

The diagram illustrates a file path at the top, which then branches into three arrows pointing to three separate boxes below. The boxes are labeled 'string', 'cstring', and 'iostream', representing standard C++ library headers.
